

## **Undertaking for Parents Choosing Not to Undergo UAE Equivalency**

Dear Parent(s)/Guardian(s),

We acknowledge that you have chosen not to undergo the UAE Equivalency process for your child's academic certificate. Please read and sign the following undertaking to confirm your understanding and acknowledgment of the potential implications of this decision.

### **Undertaking**

I, the undersigned, as the parent/guardian of [Student's Full Name], a student at [School Name], hereby acknowledge the following:

**Non-Equivalency Decision:** I have made the decision not to apply for the UAE Equivalency of my child's academic certificate issued by [name of the foreign educational institution]. I understand that this decision is voluntary and based on my personal preferences or circumstances.

**Impact on Further Education:** I am aware that the lack of UAE Equivalency may affect my child's eligibility for university admissions within the UAE, as many local institutions require this equivalency for recognition of foreign qualifications.

**Professional Opportunities:** I understand that not having UAE Equivalency may limit my child's access to certain employment opportunities within the UAE, as it may not be recognized as meeting local educational standards.

**Responsibility for Consequences:** I acknowledge that the school is not responsible for any challenges or limitations my child may face regarding university admissions, employment, or other educational opportunities due to the lack of equivalency.

**Future Considerations:** I am aware that the decision to forego UAE Equivalency may need to be revisited in the future should my child wish to pursue higher education or career opportunities that require recognition of foreign qualifications within the UAE.

**Acknowledgment of Information:** I confirm that I have been provided with adequate information regarding the UAE Equivalency process, its benefits, and potential consequences. I understand the full scope of this decision and choose to proceed accordingly.

**Acknowledgment of School's Support:** I understand that the school will continue to support my child's academic journey to the best of its ability, but the school is not responsible for any outcomes related to my decision not to undergo UAE Equivalency.
