This week our Kind Leadership Star on Thank You Thursday is **Jesus Ostos**, Principal of The Philippine School, Abu Dhabi, who was sent in by **David Muir, FCCT**. David said:

"He walks the talk of kindness and caring for all members of the school community. He's literally always smiling - when he's not smiling he's laughing. His staff are dedicated to him. When we have joint lesson observation he opens its to leaders at all levels and teachers new and old to see the work of their peers. Promoting collective teacher efficacy in its most fundamental form. If I was a teacher I would be happy if he was my boss. And believe me I don't give that compliment easily!"

Congratulations, Jes and thank you to David for the nomination. If you would like to appreciate a kind leader, please message me. Keep spreading the kindness ❤️

### Kind Leadership Star Award

Recipient: Mr. Jesus S. Ostos Jr., Principal

This award is conferred in recognition of exemplary leadership characterized by compassion, integrity, and a strong commitment to student-centered education. The recipient has demonstrated outstanding leadership in guiding the school community towards continuous improvement, fostering a positive school culture, and ensuring alignment with ADEK policies and compliance. His leadership promotes collaboration, innovation, and the holistic development of students and staff.

### 15th Year of Service Award

Recipient: Mr. Muhammad Aslam Khan, Driver

This award is presented in recognition of fifteen years of dedicated and loyal service to the school community. The recipient has consistently demonstrated reliability, professionalism, and commitment to ensuring the safety and wellbeing of students. His contribution reflects excellence in operational support and aligns with the school's mission to provide a safe and secure learning environment.

### 10th Year of Service Award

Recipient: Ms. Jellyn I. Maniaul, Registrar

This award recognizes ten years of committed and exemplary service in administrative operations. The recipient has played a vital role in maintaining efficient school records, enrollment processes, and stakeholder communication. Her dedication contributes significantly to the smooth functioning of school operations and compliance with ADEK administrative standards.

### Robot Design Award (Coach – Abu Dhabi Regional Challenge)

Recipient: Mr Cerilo S. Camacho Jr. (ICT Teacher / Robotics Teacher)

This award recognizes outstanding coaching and mentorship in robotics and innovation. The recipient successfully guided students in the Robot Design category during the Abu Dhabi Regional Challenge, demonstrating excellence in STEM education, critical thinking, and problem-solving. This achievement reflects the school's commitment to innovation, 21st-century skills, and global competitiveness in alignment with ADEK priorities.
