The key strengths of TPS Abu Dhabi students can be summarized as follows:

1. Strong STEM and Innovation Skills – Students demonstrate abilities in robotics, coding, AI, engineering, and scientific problem-solving through competitions such as NASA Space Apps Challenge, IoT & AI Challenge, Code Battle, and FIRST LEGO League.
2. Excellent Collaboration and Teamwork – Participation in robotics, coding, sports, and academic competitions shows students' capacity to work effectively in teams and accomplish shared goals.
3. Athletic Excellence and Sportsmanship – Active involvement in basketball tournaments, swimming competitions, and the Philippine Schools Athletic Meet reflects strong physical skills, discipline, and competitive spirit.
4. Leadership and Global Citizenship – Engagement in Model United Nations and environmental forums highlights students' leadership, diplomacy, and awareness of global issues.
5. Strong Communication and Language Skills – Competitions such as the Arabic Spelling Bee and Letter Writing Competition demonstrate students' proficiency in languages, communication, and academic literacy.
6. Critical Thinking and Problem-Solving Ability – Many competitions require students to analyze challenges, develop solutions, and think creatively in real-world contexts.
7. High Student Engagement and Participation – Students from multiple grade levels actively participate in diverse competitions, reflecting motivation, confidence, and a culture of excellence in co-curricular learning
